# After weeks of overwork, your system run down, this herbal extract of Dr. Pierce's makes you feel your old time vigor—a real lasting improvement. When all nature seems to be glad we sometimes experience our greatest ills. The important thing is to make this life worth while. When you catch cold, suffer from indigestion or notice the skin breaking out with pimples let this furnish you a warning that the blood is in disorder. Profit by the experience of others and quickly drive the poisons from the blood and build up the system with a reliable remedy—such as Doctor Pierce's Golden Medical Discovery which has stood the test of time, and for nearly half of a century has sold more largely than any other blood remedy Thousands attest to its remedial value as witness the testimonials which have been published for years. COMMON SENSE.

No one ever takes cold unless constipated, or exhausted, and having what we call mal-nutrition, which is attended with impoverished blood and exhaustion of nerve force. Tonics consisting of large portions of alcohol, iron or cod-liver oil do not bring the desired changes in the blood, because they do not enter the system and are not absorbed into the blood, with the exception of the alcohol which shrivels up the red blood corpuscles when it does come in contact with them. We recommend this botanical extract of Doctor Pierce's because it contains no alcohol, and offers a reasonable and scientific method of treating the blood, by improving the nutritive functions of the patient. The "Golden Medical Discovery" accomplishes this, restoring the enfeebled digestive organs, so that food, the natural tissuebuilder, will be digested and assimilated. For there is generally present in these cases, loss of appetite and lack of sufficient nourishment to replenish the waste of flesh.

SPRING SHOWERS.

The first day you start to take "Medical Discovery," impure germs and accumulations begin to separate in the blood and are then expelled through the Liver, Bowels and Kidneys. In place of the impurities, the arteries and veins gradually get fresh vitalized blood and the action of this good blood on the skin means that pimples, boils, carbuncles, eczema, rash, acne and all skin blemishes will disappear. Then you must remember that when the blood is right, the liver, stomach, bowels and kidneys become healthy, active and vigorous and you will have no more trouble with

indigestion, backache, headache and constipation. Get Dr. Pierce's Golden Medical Discovery to-day at any medicine dealer's; it is a powerful blood purifier, so penetrating that it gets at the impurities and poisons within the body and carries them out of the system. It is not a secret remedy for its ingredients are printed on wrapper.

For free advice or free booklet on blood write Doctor V. M. Pierce, Buffalo, New York.
